Oz Scale Racers

How to save race results in Race Coordinator

This is done after the last race of the heat has been completed. Simply follow the steps below.

1. While in the Race Day screen, select **File** > **Export Race**
2. Then click **Export** button
3. Select the folder you wish to save the file
4. Enter a name for the file into the File Name section ie 2min-GT-ddmmyyyy.xls
5. Then click the **Save** button
6. All done
